

MARKET IN *MOTION*

JULY 2013

ETC has renewed their commitment to Richardson, Texas.

Citadel Partners announced that they provided real estate advisory services to Electronic Transaction Consultants Corporation (ETC) in renewing their 45,732 square foot lease in Richardson, Texas.

ETC Corporation has a well-deserved reputation for performing to the highest standards and delivering cost-effective custom solutions, exceptional products, and services with integrity.

ETC Corporation’s team embodies extensive industry experience that dates back to the first electronic toll collection solution implemented in North America. Today, this experienced team is providing innovative solutions to the evolving challenges faced by 21st century revenue collection authorities, including successfully implementing the nation’s first all-electronic toll road.

Through building strong customer-vendor partnerships and creating customer-centric solutions, ETC Corporation has established a proven record for delivering custom solutions and quality results. As a result, ETC Corporation has become a trusted advisor and remains under long-term contract as systems integrator, systems consultant, operations provider, and maintenance services provider with some of the preeminent toll authorities in the nation.

“Mr. Tim Gallagher, President said Citadel Partners value to ETC was the ability to advise us throughout the entire process from strategic planning to completion of construction providing significant savings to ETC”.
